<sup>6</sup>Jesse Cooper's obituary lists the date of his marriage to Sara Wilbarger as 1910. However, according to family tradition, they married about the time the home was built, ca. 1911-12. A thorough search of the Williamson County marriage license records produced no date for the marriage, so the obituary record is used in lieu of primary documentation.

<sup>9</sup>Information on Sara Wilbarger Cooper provided to the current owners over a number of years by various sources, but attributed to Dotta T. Cooper, the widow of Robert Wilbarger Cooper. Jesse Cooper's second wife is listed in records as both Sarah and Sara. Family sources indicate she preferred the latter and her tombstone bears that spelling. Since copies of the Williamson County Sun are not available for the year 1935, the correct spelling of Mrs. Cooper's given name and the information about her education and musical training could not be substantiated.
